Welcome

Overview of the Council

Announcements and Discussion

- Still looking to fill seats, especially faculty. Also need to submit Alternates
- Student Health Insurance will be a big factor this year
- Speakers we want to hear from
  - Brandon - Jeff Travis about Transportation & Parking
  - Ann - Someone from Housing
  - Peter - Someone to discuss state education plan and costs
- Student Organization Registration Guidelines

Committee Structure

Alternate Policy

Requests for Discussion or Speakers

Student Government Updates

- CGS
  - Very Busy! Had a very successful Welcome Week, 530 in attendance at Friday event. Great shirts this year also 😊
  - Parking privatization & housing are big concerns for graduate & professional students, international especially
  - Departments need to work on relationships between advisors and advisees - working on this currently
  - Making appointments to university committees
  - Opening elections for seats from approximately 20 departments

- IPC
  - Parking is a concern
  - Delegate orientation last Sunday was very successful
  - Professional Development Fund -helps reimburse programming
  - Branding and marketing with OUAB next week
• Restructure service activities this quarter - work with Mid-Ohio Food Bank
• Working with individual colleges student councils
  • Meeting with Deans as a large group
• Doing a soccer tournament

• USG
  • Great Welcome Week!
  • Intern program starts in 2 Weeks
  • My Switch is up!
  • Winter: Launching Book Swap project
  • Senate: By-law review for semester conversion. Working on reorganizing USG for the change
    • Challenge senate with "Project Initiative" for committees, want 5 by the end of the year
  • Health and wellness work, Sexual Violence Awareness Fund

Student Life Update – Dr. Javaune Adams-Gaston

• "Creating the Extraordinary Student Experience"
  o Curricular and co-curricular - what that means
  o 1st pre-graduation survey was administered last Spring
    ▪ Most (70%) of undergraduates and graduate students will work in Ohio
    ▪ Want to do this every quarter
  o Sophomore students - want to uphold 2 year on-campus living requirement but can't because there is not enough space
    ▪ Want to have variety in living experiences
    ▪ What's important for sophomores?
  o Students consistently rate OSU’s ability to help post-graduation low, what can be done
  o Regional campuses- How can we help these students have an extraordinary experience?

Comments
• Do quarterly assignments for alternates
• Look at structure of Rec Sports and CSA relationship - Peter
• Dining facilities and meal plan restructuring, nutrition changes as well
• Questions- How to incorporate the Student Wellness Center, SVC, RHAC, etc.

Announcements
• Next Full Council Meeting 10/11
• Subcommittee Assignments to be emailed out

Adjournment
