

CSA Reconciliation Funding 2016 - 2017 Application

Purpose of the Student Activity Fee: Programs supported by Student Activity Fee (SAF) dollars should be primarily facilitated by students for the benefit of students. The SAF should support the diverse interests and backgrounds of its student community. SAF funded programs and events should enhance the student experience at Ohio State.

- **Any registered student organization or campus department is eligible to apply for reconciliation funding regardless of whether or not they have already received SAF funds (i.e. USG Allocations funding, CSA programming funds, or signature event funding)**
- Applicants proposing an event, please see the definition of a fundable program outlined in the programming guidelines section of the Registration Guidelines for Student Organization Programming Funds (outlined below):

FUNDABLE PROGRAMS

A fundable program, for the purpose of student activity fee funding, is defined as an educational or service activity held on campus or a service/outreach activity held off-campus.

Fundable programs must: be open to all fee-paying students (Columbus campus) beyond the membership of the sponsoring student organization(s), provide developmental and educational outcomes for all participants, be held on-campus, and be broadly marketed.

Please see Additional Considerations on page 17 of the guidelines. [Link here](#)

- Reconciliation funding is disbursed on a reimbursement basis, pay to vendor, or interdepartmental transfer, pending successful completion of the program and proper accounting for fundable expenses.
