

CSA Strategic Programming Grant 2017-2018

Start of Block: CSA Strategic Programming Grant

Q11 CSA Strategic Programming Grant 2017-2018 The Council on Student Affairs (CSA) is opening a one-time, Strategic Programming Grant application for Student Activity Fee (SAF) funding. Programs supported by SAF dollars should be primarily facilitated by students for the benefit of students. The SAF should support the diverse interests and backgrounds of its student community, and this grant is meant for collaborative programs that initiate or continue opportunities for student growth. SAF funded programs and events should enhance the student experience at Ohio State.

Q12 Eligibility/Guidelines Any current Student Activity Fee (SAF) beneficiaries, including any registered student organizations, are eligible to apply for a one-time amount of Strategic Programming Grant funding regardless of whether or not they have already received SAF funds (i.e. USG Allocations, CSA programming funds, or Signature Event funds) Any Campus/Academic Department programming application must be submitted in collaboration with some other student-led initiative or organization. Applicants proposing an event, please see the definition of a fundable program outlined in the programming guidelines section of the Registration Guidelines for Student Organization Programming Funds (outlined below): **FUNDABLE PROGRAMS** A fundable program, for the purpose of student activity fee funding, is defined as an educational or service activity held on campus or a service/outreach activity held off-campus. Fundable programs must: be open to all fee-paying students (Columbus campus) beyond the membership of the sponsoring student organization(s), provide developmental and educational outcomes for all participants, be held on-campus, and be broadly marketed. Please see Additional Considerations on page 17 of the guidelines. Link here: https://activities.osu.edu/posts/documents/doc_662016_13328368.pdf
Any program requesting \$5,000 or more must collaborate with a campus partner unit (Current SAF beneficiaries, Student Life offices, or academic departments).
