Meeting called to order at 4:09pm by Ashton.

Sarah Blouch – T&P

- Presentation about the goals and plans for the office.
- Handouts were distributed
- Looking into more remote parking options for students, faculty, and staff.
 - How do we move the parking from the core of campus to the outside of campus?
- "The Pit" in the medical center might be lost (1800) parking spaces. To move Cannon further west.
- Woodruff Ave Closes Spring 2011 – have been problems with high traffic.
- 17th Ave is also set to close
 - The hope is to have bike sharrows (share the road symbols) and bike lanes.
- Also trying to raise awareness with Stop. Look. Listen campaign.
- Looking to work with campus partners and student organizations to determine how to get the message of sharing the road and safety to the campus.
 - Want to encourage tolerance and goodwill
 - Common sense approach
- Possible events
 - A Campus Safety Transportation Day?
 - A viral pledge?
- Q&A ensued.

Updates

Student Life

- Adams-Gaston
 - Winter Involvement Fair was a success.

- Sorority Recruitment (numbers have increased from last year)
- MLK Community Service Events, over 700 students participated
- COSI after Dark – over 6000 attendees
- We were the site for the inaugural event for the new governor. Was well attended.
- University Student Success Outcomes. Ready to move forward with the career implementation program.
- Student Life will be presenting to the Board of Trustees on engaging students for success and the co curricular experience.

Chair

- Will be reviewing the student code of conduct soon. USG has begun to explore what changes or revision should be made. Encourage all governments to do the same.

New Business
