

## Suicide Prevention Programs Standards

### Statement of Commitment

---

The Ohio State University is committed to fully complying with the requirements of [§3345.37 of the Ohio Revised Code](#). As such, the university will:

- Convene a Suicide Prevention working group made up of representatives from College of Education and Human Ecology-Counselor Education, the OSU Suicide Prevention Program, Office of Student Life Counseling and Consultation Service, OSU Employee Assistance Program, ESUE Orientation/First Year Experience, the Office of Human Resources, and others as appropriate.
- Maintain a Suicide Prevention website, providing resources and support for suicide prevention, which will include:
  - Crisis intervention access, including information for national, state, and local suicide prevention hotlines;
  - Mental health program access, including the availability of local mental health clinics, student health services, and counseling services;
  - Multimedia application access, including crisis hotline contact information, suicide warning signs, resources offered, and free-of-cost application including the RUOK-OSU Smartphone App and/or other applications as they are developed;
  - Student communication plans, consisting of outreach plans regarding educational and outreach activities on suicide prevention; and
  - Post-prevention plans, consisting of a strategic plan to communicate effectively with students, parents, and employees after a loss of a person to suicide.
