Heritage & Awareness Celebrations

The hallmark programs of the MCC demonstrate a strong tradition of honoring historical contexts, exploring culturally significant events and raising visibility of under-represented groups. Our intercultural format invites students of all backgrounds and experiences to take part in celebrations such as:

- African American Heritage Festival
- Latinx History Month
- National Coming Out Day
- Native & Indigenous Peoples Day
- Transgender Day of Remembrance
- Asian Pacific American Heritage Month
- United Black World Month
- Women's History Month
- Cultural Graduations

Intersectional, Collaborative Programming

Ally Week of Action engages community across the Ohio State campus to encourage students, staff and faculty to stand up with, and advocate on behalf of minoritized communities and individuals. Each of the week's events focus on the themes of awareness, education and action.

The Revolution is a weekend retreat wherein student leaders committed to diversity and social justice work come together to create connections and build community. Together, we share a transformative experience in which we explore the significance of our and others' social identities, and learn about ways we can advocate for each other with the goal of positive change both on campus and in our communities.

Open Doors This program is designed to create a more inclusive campus by increasing participants' knowledge about bias, its effect on the campus community, how to address bias, and how to best support those experiencing bias.
